

Positive Thinking

Set a Faith-Filled
Intention

Today I will...

be thankful for the blessings
God has given me.

find God's beauty is all
that is around me.

show love and patience to
everyone I encounter.

look at others as my
brothers and sisters in
Christ.

spread joy because I am
a child of God.

let God be in control of my
words and actions.

be kind to myself because
God loves me.
