

A large, stylized yellow quotation mark icon consisting of two thick, curved lines.

Heavenly Father,
I yearn for the day that my spouse knows
your love and grace. Help him to experience
you in a way that opens his heart and eyes to
your wonder and glory. Speak your love into
his life in a way that he no longer doubts.
Show him the completeness that only you can
offer. I ask all of this in your Heavenly name,
Jesus Christ. Amen
